Dear Ms. Kemp:

U.S. DEPARTMENT OF ENERGY RESPONSE TO THE CITIZENS ADVISORY BOARD'S CONSENSUS RECOMMENDATION 03-02

The Department of Energy (DOE) is in receipt of the Citizens Advisory Board's (CAB's) Consensus Recommendation 03-02 dated April 7, 2003. The Board requested a copy of the draft proposal to the Paducah Gaseous Diffusion Plant (PGDP) Site Management Plan (SMP) Dispute Resolution to facilitate public involvement. During the April 2003 CAB meeting, DOE provided the Board with a copy of the Federal Facility Agreement milestones for Fiscal Year (FY) 2003, FY 2004 and FY 2005 which have been agreed upon by the Environmental Protection Agency, Kentucky Department for Environmental Protection and DOE as part of the resolution to the SMP Dispute.

DOE appreciates the Board's continued interest and involvement in the cleanup process at the PGDP. If you have any questions or require additional information, please call David W. Dollins at (270) 441-6819.

Sincerely,

A handwritten signature in cursive script, reading "Dianna Feireisel".
